Participatory Video

- Participatory communication
- Collaboration between Ngalia Research Council, UBC and Curtin University
- Shared decision making, goals, responsibility and critical reflection
- Reality involves negotiation of roles and information use

Caring for Country

Caring for Country

Caring for Country

Caring for Country

Caring for Country

Outcomes:

- Appetite among community youth
- Support by community opinion leaders
- Outsiders impressed by medium
- Commitment to continue...

Ngalia Resources - move into the interactive, web-based realm

Lessons Learnt & Conclusions
